Annual Report 2019

"Prayatna School of Excellence"

"PrayatnaSchool of Excellence" is an organization which *aims to deliver Excellence in the Education and lay the foundation for the citizens of tomorrow*. Prayatna consists of a group of individuals who could see beyond themselves. The Passion to do something for the society and the zeal to overcome all odds and bring about a much-needed change in the quality of education provided at the primary level in the rural areas. The core team spare their time to change the lives of those who are the future of our Mother Nation. We have the desire to revolutionize the Quality of education at the primary level by the introduction of innovative ways of teaching and learning. The necessity is to develop not just an educated citizen, but to produce a learned individual who can Distinguish between what is right and what is wrong.

Prayatna primary objective is to promote **"Inclusive Education"** by connecting Schools, Corporate, Social change makers, Teachers, Residents and other sections of the community in efforts to ensure **"Inclusive Development"** for the society.

From President's Desk

❖ **"***Let's explore the more possibilities in imparting education at lowest level, increasing ground root level activities and a bit more focus on technology, social media and partnerships. Now need of the hour is to focus on how we can use the power of technology in learning. We are also moving ahead to rebuild Prayatna by reviewing positively our relationships with existing partners and adding few more partners in last quarter. Sharing good news is we enhanced our capabilities by expanding our team with new talented young professionals, social work and legal advisors and education lovers. Finally, I must say for next couple of months our motto should be scale up the operations at all levels.*
It should be **Speed Up! Scale Up!***"*
Ram K. Mudholkar

From Founder's Desk

❖ *"It was a fantastic year 2019 in Prayatna history especially when we had completed 10 years of journey of reforms in this sector. Since its inception we has seen many up and downs and finally we have come at a stage where we can say we have done something remarkably good! We have expanded our team, initiated new projects, given new heights to academics and redefined the strategies of Prayatna especially in social media field. We solemnly vow to create new horizons in education reforms"*
Praneet Sushil, Founder
Life Skills Coach, Prime Mentor and Counselor

From Teacher's Desk

❖ *"working on technology is the only profession I can think for myself. I can do it day and night tirelessly. Prayatna has given me chance to use my abilities to its fullest by teaching those unprivileged students who really need special assistance. "*
Arvind Kumar, Academics Head

From Volunteer's Desk

❖ *"I am so thankful for the opportunity given to me in Prayatna. I grew up here, studied here and now I am teaching here, providing support as much as I can. I feel so empowered by giving back what I received in Prayatna. I wish students, teachers and management a great success in Future"*

Media Coverage 2019

A beautiful Media coverage on **Prayatna-School Of Excellence** created by **The Public TV**.
Praneet Sushil, Founder of Prayatna narrating the story of Prayatna, its mission and journey since inception.
 This documentary also covers the very special leadership program of students **"Students Cabinet" Or Mitra-Mandal** that showcased how students are capable enough to run the school operations at their own with a great sense of responsibility and leadership skills.
Really it is a awesome experience to see the students in full action mode ☺

Khel Yatra

Prayatna school of Excellence participated in Khel Yatra 2019 (Organized by American Embassy School) on 15 February . Khel Yatra is an inter school Track Meet for Schools & NGOs. 23 NGOs and Schools Participated in khel Yatra.16 students of Prayatna participated in it. They showed great enthusiasm and sportsman spirit. It was a new experience for them. We want these kids to learn through the common language of Sports and to have healthy competition among each other.

The idea is to expose them and involve them in sports as it is important for healthy living and personality development.
Prayatna is committed to provide them similar exposure in coming years as well

Prayatna assists to Government schools.

1. Renovation of libraries -

A library is an important source of knowledge to young minds in schools.It develops the important habit of reading among the students. Every school should have a library. The school library plays a great role in the life of students by serving as the store house of knowledge.
But libraries in government schools are not in good condition. Many books are old, torned, and badly managed. Prayatna helps these schools with new books, better furniture and managing the library in a way so that it can provide better reading environment.

2. Whitewashing the schools. –
Most of the government schools are suffering from basic infrastructure. By whitewashing the schools we try to give the students the perfect environment where they can learn.

3. Drinking water facility -
In summer government schools suffer from lack of clean water supply. Fresh water is very essential for kids. That's way prayatna helps government schools to clean water tanks and provide proper water supply.

4. Posters of great personalities -
By displaying posters for great personalities from all over the world , we try to make students aware of them. Along with pictures of extraordinary personalities these posters also show basic information about them. It motivates students to do further research on them and have better knowing of their work.

4. Providing guests teachers -
As we all know government schools of India are suffering from shortage of teachers. We are constantly in touch with them. And whenever they face this problem we try to provide them guest teachers on our expense.

5. Admission of students -
Prayatna conducts regular counseling sessions to encourage parents to send their children especially girls to school and help them participate in various activities.

Major Activities in 2019

Sewa Project (Art of Giving) -

Students are learning "Give Back to Society". Praytna is trying to teach students the Art of Giving. One of the best ways to teach the importance of charitable giving is to have students explore the sector themselves. Under the program Sewa Project our students collected clothes from sectors and distributed them among economically weaker sections. In this program they asked for donation and then distributed it. It increases their field Knowledge. Mitra-Mandal are participating in Sewa Project where they interact with people, doing something special so that they feel being special

Remedial Classes

Smart and interactive classes are crucial part of Prayatna remedial classes. Teaching students through audio-visual aids increases their learning ability and interest in the class.
Our goal in the classroom is to make sure that students are having so much fun that they don't realize they are learning.

Computer Classes –

Smart and interactive classes are crucial part of Prayatna. Teaching students through computer classes increases their learning ability.
Our goal in the classroom is to growth our student technical knowledge. Because today knowledge of computer is also important part of study and we are providing our students these features. Out of the prayatna these students are perform well in every sector.

Art Festival -

Summer vacation in Prayatna was filled with colours, painting, songs, dramas, dances and musical performances. This time we had opened the doors for all students not only for enrolled in SOEs and feel the waves of competition with others as well. It was held from 1st week of May to last week of June at both our "School of Excellence" CDCs. Art is integral part of our life and it is equally important as academic development. We can't expect that every child area of interest is books. Each child have their own interests and we should focus on it. During the period of Kala Mahotasv kids participated in writing competition and showed their writing skills. Other than this kids also recited poem and narrated stories, which was based on moral values. Only motive of all these activities is to develop their overall personality. By participating in these events kids become aware of their interests. And end of the art festival Prayatana celebrated Independence Day. It was heartwarming to see children apply themselves with as much zeal and zest to the Independence Day celebrations. Their effort in decorating the stage and their participation in cultural activities on the end of Art festival

(Prayatna Kids participated in many cultural Programs in Art Festival)

Vibrant Democracy at Prayatna . *"Mitra - Mandal"*

Student Empowerment & Leadership Programme

Students selected their **4th leader (Pradhan Mitra**). A prominent sincere student Niaha grabs the position along with his **"Mitra Mandal"**.

To develop democratic spirit in students prayatna organize election in every 6 months. Children choose their leader among themselves who work for their betterment. **Pradhan Mitra** and **Vitra Mitra** collect contribution from students and spend them on students. This collected contribution is only spend on development of center and students.

This give them idea that it is their organization and it is for them and by them. Similarly there are other positions too like – **Sahitya Mitra, Kala Mitra, Sawacchata Mitra, Yog Mitra.**

Pradhan Mitra

- Himtaz Khan, Mohd. Anwar and Akash Kumar and Nisha Paswan are prominent sincere students who have grabbed the position in year 2017, 2018 and 2019

Gandhi Jayanti-

On Birthday of Mahatma Gandhi and LAL Bahadur Shastri ji, Prayatna paid tribute to these two great souls of India by Cleaning our localities. By looking at efforts of children many local peoples also helped us and promised to keep their surrounding clean. Prayatna runs a cleanliness campaign like this at least once in every 2 months.

Students of Prayatna participated in Youth for seva program in which they took part in Many competitions, and won many trophies and Medals. Manish and Nikhil came 3rd in Quiz, Ankit came 1st in Yoga, Nazia came 3rd in Yoga, Adarsh Pandey came 1st in Science Project and girls of primary section Chandni, Mamta, Suman, Afreena, Haseena, Ruhi had won two trophies in Dance and Skit. Participating in competitions like this give them proper exposure and confidence to show their talent anywhere.

Prayatna 10 years celebration

On occasion of successfully completing 10 years of Prayatna, School of Excellence, cultural program was organized in Tau Devi Lal Park sector 23. The program started duly by lighting the lamp to Mother Saraswati. Through Dance, Drama and Music students got a chance to show their skills and entertain the respected guests and the audience. Hundreds of people appreciated performance of children with applauses. On this auspicious occasion Prayatna also honoured those personalities who are associated with Prayatna from a long time and working hard for future of children.
